Course Description: This course is designed to review the knowledge, skills, and abilities of First Responder Instructors/Evaluators so that they can continue to function effectively both as a teacher and as an evaluator within the First Responder program. The focus of this refresher workshop is on skills instruction and competency-based evaluation. Candidates will have an opportunity to practice their skills instruction and receive feedback from the instructors and peers. Candidates will also review and practice the marking and grading criteria to ensure fair and objective evaluations for their students. Successful candidates will extend their Instructor/Evaluator credential for another three years.

Course Goal(s): To provide an opportunity for First Responder Instructor/Evaluators to review and practice their knowledge, skills, and abilities so that they can continue to effectively teach and consistently evaluate all aspects of the First Responder program.
